Ok, so shall we recap
on what you have learned
during your stay at the
hospital?

Yeah

What are you
doing?

SFX: searching

I organized this information
in a notebook.

First, transfer and how it works.

A good student's note

«Transfer» normally means moving from A to anywhere else other than A, for example B.

What Special Class calls 'Transfer' is moving from A to A', and B to B'.

So basically, it only means the transfer between reality and Layer back and forth?

Yeah. You organized it well. Only 1) and 2) are what we mean by 'Transfer'.

And most of the people who transfer into Layer can't move

Reality

(-)

Layer

Their basic abilities are lost.

Normally, it depends on the individual... But it's common to lose consciousness,

While others may suffer a loss of their sight or hearing, basic senses like that

On the other hand, there are people who gain abilities when moving into Layer, and these people are very rare, so if they exist, the Special Class recruits them?

Yes, but it's not that we can stay in the Special Class for a long time..

(+)

In most cases, our abilities either weaken as we grow older or disappear completely. There are only a few who can keep their powers as an adult in the Special Class.

As a reference, the Special Class call those people with added abilities Plus, and those with lost abilities Minus.

Reality

(+)

(-)

Layer

So literally, it's divided
depending on whether you
gain or lose abilities

This is so that we can send those
Minus who have wandered into Layer
back to reality safely ...

To look for them, fight with mysterious
creatures, and to find the reason for Layer's
existence ... The people who investigate,
Please. That is us, the Special Class

And ...

How can you write down
top secret information
like this?

as soon as you
hear it.

You didn't have
to rip it!

I know how you feel, wanting to

But moving into Layer without any basic
knowledge is like gambling with your life

What I'm trying to say is that
It's forbidden to transfer alone,
without permission! Okay?

I will never...

After that day, this

I didn't even study for

RANDOM RANTS

For anyone curious when Ulat's notes at the beginning say $A \rightarrow B$ and that transferring goes from A to B he uses mathematical notation. Statisticians use this kind of notation a lot but it essentially means if you take event A anything that is not that event is A' (A dash)

Similarly arrow 2 (pg3) means going from "not B " (B') to " B ". The best comparison is flipping a coin A is heads means that A is tails B might be rolling a die

Random tangent over in summary it shows an interesting facet of how Ulat's mind works"

Woah ..!

Try moving slower
Your mind should follow the
speed of your body

Hmm... I think I'm getting
the hang of this.

Can Junho fly
by himself now?

Apparently, it looks like
a page is missing from
the index.

Yes, he's learning
quickly. He'll be used to
flying soon.

Wow, this is awesome!

When I'm experienced enough,
I should fly to school in the Layers! It
would save time and money.

I should do that...

**YOU
SHOULD NEVER
DO THAT!**

HURRY
W... Why?

If you «transfer» by
yourself, the 'monster'
will appear!!

*I didn't bring you here
to teach you that!*

And because
you could be caught
by the Special Class?
So...

*I didn't teach you how to
fight!*

Ah... O...
Okay...

You should
never ever come
here alone!

- Chapter 18 -

Hey...

Who exactly
are you looking
for?

Chapter 4

Haru-- unni ..

She's been a
good friend of ours since
we were young

We came to the Layers
together, but only Lilac and I
went back to reality

What? Then...
she's all alone in the
Layers?

Being alone in the Layers
is dangerous, right?

When did she
drag her to the
Layens?

About
that...

The day of
the robbery

What?

That was
more than a
month ago .

That's
right

The Special Class
said that it's unlikely for
her to still be alive

Because she's alone
in the Layers and she can
move around

Nevertheless, we
believe that she is still alive,
even though we may be the
only ones

Don't worry; it's not just
our hope that convinces us
that she's still alive.

I've found
evidence that she
has been hiding
here.

Right now, the Special Class
thinks there's the possibility that
she might be alive because of
the evidence.

SFX: clatter

Furthermore, there are no
signs of any recent killings by
the monster.

A Bower shop?

Hana's the
place

where Hana has
been hiding

When people are alone in the Layers,
most of them think that they are safe and are
likely to head to one of two places.

Of course,
that's if they can
move around

The first is their
most familiar place:
home.

The second place is
somewhere that they know
has lots of people.

If Hana had gone out
into the streets, she would have
definitely encountered the monster
and we would have found the gory
evidence of her death.

Because it was evident that she had not gone outside, the Special Class first headed to her home

However, there were no signs of her being at home either. Instead, there was evidence in an unlikely place, the flower shop where she works

Our parents run this flower shop. This room is used for resting or eating meals.

There was no food left in the fridge

and Hana seems to have used some of the tools in the shop

Most importantly ...

The clothing
she wore during the robbery
is here, meaning she changed
her clothes here.

Anyways, it seems
like the shop has been
used quite a bit!

SFX: Rummaging

You shouldn't be
randomly rummaging
around...

Ah, this is his
parents' shop.

I found it.

Now, Hana is
on the left

The shirt she's wearing in the
picture might be the one that she changed
into. She wore it every time she
worked here.

Remember it well

You might find Hana
before me or Mia...

I will

Then ..
Let's go

And find Hana.

Okay...

They're not out yet, right? Lots of people came and went after they entered the washroom.

But they couldn't have escaped any other way... The windows were closed and there wasn't enough time.

They're not out yet, right?

If they did escape, they would have to go through the main entrance by the junior high building. Isn't that the easiest and fastest way?

Sigh...
I give up. I'm going back.

I'm so dead for skipping cram school.

They're not out yet, right? Lots of people came and went after they entered the washroom.

They're not out yet, right?

I'm sure there
were no other exits
when I checked ...

Well, I guess
they won't be coming out
anytime soon. I should
go home .

What about
you? Can you
do it?

!

!

1 2

Yeah, but I'm not
that good at it yet.

What?

The men's
washroom in the high
school cafeteria?

Then...
It's true that there's a
secret passage out of
the school?

Where does the
passage lead?

No, no,
there isn't a secret
passage!

I searched the whole
washroom and there was no
evidence of a secret passage.
I don't know how they just
disappeared.

I would have asked
them when they came out, but
the cafeteria was closing and I
had to leave quickly.

But still, isn't that aweful?
You can sneak in to school even
if you're late and sneak out
whenever you want!

Junho and
Mia know about it,
right? We can ask
them!

About that... I tried asking her, but Junho kept on interrupting me.

I'd rather find out the names of their apps.

Mia... How do you...

Come here for a moment! Mia

Then why don't you try asking Junho?

I don't like him, he frustrates me.

This morning,

Her? Over there...

Isn't that Mia La?

Oh, you're right. It's Mia

Good, she's all alone
Let's ask her about the
secret passage

It'll be useful
until graduation

Hm?

We'll find out.

Okay?

Um...

Hey, Mia La! Just a
moment, we want to talk to
you about something!

- Chapter 18 -

Mia, I
heard that...

...you know about
a secret passage that
leads you outside the
school?

You guys ... You said that you would just ask her a few questions. Then why did you bring her to this alleyway?

Something tells me... those two are pretty good at interrogation

Mr. doesn't look too good...?

Well, it's worse in her shoes, I'd be like that, too

I ... don't know what you're talking about

Oh? Acting innocent?

Ah ... I don't feel well.

I heard all about it from the President.

The President told us all about it. Didn't you cut the school and come back through the men's washroom in the high school cafeteria?

HEY! DON'T MENTION ME!!

How did you get out? Is the washroom the only way?

You know that you don't have friends because of this nancyun, right?

You make friends by sharing your secrets with other people.

She's annoying.

Who knows? We might become your friends if you tell us about the secret passage.

So hurry up and
tell us how...

Didn't I already
tell you that I don't
know?

Why are you
picking on me? I want
to escape...

Then, can
I go now?

Wow... Mā La...
She's pretty tough

She's still keeping
her mouth shut even in
this situation. It's two on
one, Mia

She, who is
an expert
fighter...

She, who is
an expert
fighter...

I said I don't
know anything about
what's going on

SFA, Screenshot

What the heck,
President?

I told you to just
watch us. Why did you
come out here?

You shouldn't hit
another student...

What the...?

What's happening...?

I didn't hit her. I
was just threatening
her, that's all.

Do you think we'd
really hurt her?

She kept on trying
to escape, so we tried to
force it out of her.

Mia La... Is she disappearing...?

Huh?! She
ran away!!

Damn! Where
did she go?!

No... She
didn't escape...

She disappeared!

Junho Lee!
Junho!

Let's play soccer!

I'm tired

He won't come...
He just had lunch, so
he's sleepy. We can't
use him.

Let's play by
ourselves

I lost all the time with
you on my team

What? I read
a good book!

Isn't that when you
were in elementary
school?

Yeah, yeah

SFX: Chatter chatter

That who...
Where did she go?

She probably ate her lunch alone

SFX: Silence

How? That notebook
on Mia's desk ...

it's from
yesterday ...

It's the note
about Layers!

Should I take a peek?
No, I shouldn't.

It's not right
to take things without
permission ...

But ... I'm really
curious! Why wouldn't she
let me read it?

Read it?

Don't
read it?

Don't
read it?

Read it?

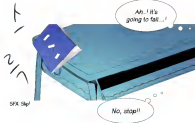

Read it?

SFX thump

So, what happened?

Well, you see...

What the heck?

SFX, Shien

The notebook... it's floating?

What's going on?! Is it a ghost?

We'll be doing a
"transfer" to Layers today,
so just rest until L and the
others arrive

Did you change
notebooks?

Mhmm... The last
one was ripped.

That's not
entirely a lie.

Is Mrs doing fine by
herself...? I'm worried about that
president we met in front of the
washroom yesterday .

Hm...?

That's impossible....

Something...

But, they are pretty

We can only try

I expect all of you to

of being by yourself!

If you meet a monster, make

I forbid you from offensive

you should stay in a defensive position

the school grounds.

task for your first

But because
of the situation, we

When class starts,
we will visit each classroom
and ~~transfer~~ them
back to reality

Lilao, Young-jin
and Hye-on-ssu, you
will take care of the
school grounds.

Patrol the areas around
the school and if you find anyone
outside the school walls, you will
immediately send him or her
back inside the school

Also, we might need
our strength if the monster
attacks, so don't exhaust it all
in <transferring> people

SF 100 Silver

You're right
It'd be easier to find
help outside

SFX: Run

There's no one on the school field.

SFX: Empty

President! What if there isn't anyone outside the school too?

What if we're the only ones left in this world?

Don't say that kind of stuff! I don't know what to do either!

Let's find people first! I'm sure there's someone who knows what happened.

Anyways, that's the only option we have... Hm?

Presented ...?

What's wrong?

Look behind you!

In the school... that classroom ...

There are people in there!

.....

.....

What the hell...

IF THIS ARCADE IS
SUPPOSED TO BE OPEN
FOR 24 HOURS, WHY
ISN'T IT OPEN NOW?

THE DOOR WAS
OPEN, SO I JUST WALKED
IN, BUT THERE WASN'T
ANYONE IN THERE!

Maybe it's still
under construction... There
was something sticky
on the floor.

SFX: Splat

UWA!
WHAT'S
THIS?!

Ed... This
place won't
have much
business.

There wasn't anything else to do.

Well, if it's under
construction, there should
have been a sign on the door...
I'm just a victim of poor
management here.

They could have turned the
lights on at least.

Well, good
thing it wasn't any-
thing dirty...

My new
shorts...

...they're still clean

Should I
walk back to
school?

SFX: Moan

I should have listened to his
advice and gone to the arcade
in front of the school...

Down...
I'm going
back!

I thought it was
a pottergeist, but that
wasn't the case.

I think someone in my class
or school managed to
<transfer> to Layers.

The only people I can get
an explanation from would
be Mia and her brother...

Damn, I can't find Mia and I don't know what class her brother has right now!

SFX: Annoyed

Gosh... This is frustrating!

SFX: Tap tap

Waiting helplessly at the high school cafeteria

Where could she have gone? She wasn't here at the beginning of the class, so I thought she'd be here ...

She left this note-book she said was important...

Then again...

Then you
can't do it?

Nope! My brother didn't
get any notes about that,
so I don't know about it

Then ... because you can't use
«Poturgeist», you're not a plus ...
Aren't you a minus?

But I can «transfer»! I can
safely move around without any
loss in my abilities

On the other hand, you can't
«transfer», but you can use
«Poturgeist»

Then... a plus that Special Class mentioned could be someone who can <transfer> and use <pollen>, right?

That's possible but... I still don't quite understand what a plus is. I guess we'll know when my brother learns more about it. Hm?

...?

Provided...?

...!!

M-
Mii...Junho...

When I think about it,
President was with Mia
all morning

and when lunch ended,
she wasn't in class
either?

hmm, has she done
something to Mia...?

That's impossible...

But I'm worried about
the two who hang
around her

Is Mia in trouble?

Mia's weak because she
can't use *Spellergists* in
Loyers.

He's too late,
but correct.

Chapter 22

Huh...?
Lias?

Narrow
eyes?!

What are you doing
outside the school?

It's a
person!

How about you? What are you doing here? Go back to school, now!

Hmm.

1st floor: Arcade
2nd floor: Arcade
3rd floor: Arcade

What?

I think Lilac knows here.

I had a dentist appointment, so I got permission to leave early.

But...

I thought it was strange that no buses came, nor did any cars pass by, so I came back.

Is there a lockdown drill in the city today? I haven't seen anyone in the streets...

You're right!
It's a lockdown!

I'll watch how you'll deal with this situation.

So, hurry up and go back to school!

Wait, wait! I have to go pick up my friend.

A friend?

Yeah. He said he was going to an arcade and followed me out. He told me he'd be going to one that recently opened over there.

Anyways, because he can't stop once he starts playing, he told me to come and pick him up.

I'll take care of him, so just go back to school!

What's the rush...?
Fine then, I'll leave it up to you.

Did you hear that?
Shouldn't we find his
friend first?

I didn't want to walk
that far anyway

Let's do it. It'd be better to find
someone whose location is known
rather than waste time randomly
searching

They're moving by using <challenge>.

Wait! Let's walk
from here.

There's something on
the ground

Look at this!
This is...

This guy is a lone hunter.

Who took care
of him?

Did the teachers
arrive already?

That'd be the
best case—

but let's explore
a bit more

Okay

Ah~ I hope it's not
the Mad Rabbit.

The Mad
Rabbit? What's
that?

Yeah.
Well...

Do you remember me telling
you about a monster that marks his
territory by smearing the area with
his videos? The Mad Rabbit
usually does that.

He is so violent and grue-
some that other monsters in
Layers avoid him.

Even the Special Class
just run away whenever
we see him.

Well, he looks a bit like a rabbit...so we affectionately call him the Mad Rabbit

Rabbit...

!

Damn! Keep your voices down!

It's the Mad Rabbit!

He's so close to
our school...

What are we
going to do?

Does he still have a
secret entrance to the school?
Should we try?

Anyway, we should
lure him away from
the school.

It's simple. First, we have
to grab his attention and
just run for our lives!

We just have to fly a bit beyond
his grasp and check once in
 awhile to see whether he is
 following us or not.

Don't panic if we get separated.
The other two will support the
one being chased.

Okay, we'll leave on the
count of three.

One,

Hello? Is this NEW Park PD? Can I have Season 2... Blah blah...

Yup... Yes... Thank you...

I got the Season 2 serialization... This one will be published under my name.

Here!! I present you, your Highness, with the real Chapter 24 ending.

This event was 90% fiction.

Last words, I truly thank you readers
for your dedication to the series and
allowing me to continue Season 2.

About....

First, the ~~Transfer~~ gang and the Special class gang,
Season 1 was mostly about those two stories.

Before the debut of Layers, I had few working titles.
They were ridiculous like ~~Back-to-school~~ ~~Reap~~.

In the early days, Layers was a feature project. So I worked on it alongside <Magical Cruise> and <Forward Together> and doubted that it was going to be as popular as it is now. But I was really happy to hear that I had a chance to make Season 2 of Layers.

As the story progressed, the number of characters increased, and because I had to draw so many of them...

The progress became really slow.

Thank you for your help, Park PD and **HN** Park PD
And of course, once again, you, the readers.

Layers Season 2 will make its debut after our healthy recovery.

Story: Joo Tae-hye
Art: Kim Joo-young

Layers Season 2 will start off as a new series called Layers Anarchy.
